# RELAY RACKS

## Hergo iRACK and SUPER RELAY RACK

The Hergo Relay Rack or iRack is a suitable, cost saving alternative to an enclosure cabinet if the operating environment is dust-free, cool and secured. The open frame design gives the user immediate access to equipment without having to unlock doors or remove side panels. Hergo Super Relay Rack and iRack uprights are made of 11 gauge steel and feature a square cage knock-out mounting hole pattern.

### HERGO iRACK

#### 4-Post iRacks

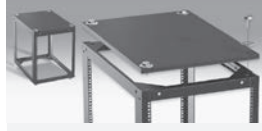

The iRack is a 4-post assembly that accommodates 19" rack mountable equipment and features a rectangular top and bottom base. The iRack is available in 3 standard heights: 42 U, 26 U and 12 U, and each is available in 3 depths: 24", 30" and 36".

#	ITEM	Depth	PART No.
01	42 U iRack	24"	95-00242-024
02	42 U iRack	30"	95-00242-030
03	42 U iRack	36"	95-00242-036
04	26 U iRack	24"	95-00226-024
05	26 U iRack	30"	95-00226-030
06	26 U iRack	36"	95-00226-036
07	12 U iRack	24"	95-00212-024
08	12 U iRack	30"	95-00212-030
09	12 U iRack	36"	95-00212-036

Ships knockdown or pre-assembled. Unit comes with 4 Gliders and 20 Screws/Cage-Nuts. Easy floor mounting with 4-corner holes – use 3/8-16 screws. Weight capacity when evenly distributed is 1200 lbs.

#### iRack Hood

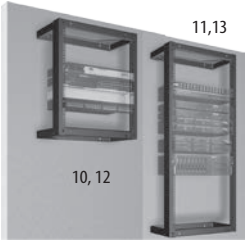

Top Hood covers for 3 depths  
 24" 10-00152-024  
 30" 10-00152-030  
 36" 10-00152-036

#### Wall-Mount iRacks

#	ITEM	Depth	PART No.
10	12 U Wall-Mount iRack	12"	95-00132-212
11	26 U Wall-Mount iRack	12"	95-00132-226
12	12 U Wall-Mount iRack	18"	95-00132-812
13	26 U Wall-Mount iRack	18"	95-00132-826

All constructed of heavy-duty 11 GA Cold-Rolled Steel. Easy to Assemble - hardware kit included. (Four wall mounting screws are also needed, but are not included with this assembly.)

20 Screws/ Cage-Nuts also included.
